

# ARTISTIC TRANSPORTATION BAG

## ABOUT TRANSPORTATION BAG

---

This transportation bag is designed to protect your kayak from scratches, dirt and UV exposure. It is made of 210D 100% Nylon PU coated fabric. Lateral and deck compression straps let you customize the bag to fit perfectly with your boat. Foam at both ends will protect your kayak and strong carrying handles and anchor handles allow you to attach ropes for transportation. The bag can be stored in its own bag.
