ARTISTIC GILET SHAMAN

ABOUT GILET SHAMAN

This centre opening (50N)vest is made of high quality 400D Nylon Pu coated and Airex closed-cell foam. It is well adapted for kayakers since its lower back portion is thinner. Its multi-panel construction gives more comfort, particularly for women. Many points of adjustment makes it very comfortable, plus the whistle leash, knife attachment, wide mesh pocket and reflective band makes this vest also very practical.
